Cassava Sciences Invited to Participate in B. Riley Securities' Neuroscience Conference

April 27, 2021

Fireside Chat on Wednesday, April 28th at 2:30PM Eastern

AUSTIN, Texas, April 27, 2021 (GLOBE NEWSWIRE) -- Cassava Sciences, Inc. (Nasdaq: SAVA), a clinical-stage biotechnology company focused on Alzheimer's disease, today announced that it has been invited to participate in the B. Riley Securities' Neuroscience Conference, a virtual event taking place on April 28-29, 2021. The B. Riley Securities' Neuroscience Conference will cover key topics across neurodegeneration and neuropsychiatry disease areas with leading companies in the field.

Remi Barbier, President & CEO, will participate in a virtual Fireside Chat led by the research team at B. Riley Securities on Wednesday, April 28, 2021 at 2:30 PM – 3:00 PM Eastern time. The link for this webcast is: <https://www.webcaster4.com/Webcast/Page/2433/41052>. An archived replay of the Fireside Chat will be available on Cassava Sciences' website for approximately 90 days following the event.
